1. [] LIAISON In the absence of Holly Brown, spoke with Cindy, in the office of Senator John Chafee (R., R.I.), and she advised that the breakfast meeting on 1 February which the Director will attend will be held in room S 138 of the Capitol. She said she would have Ms. Brown call me on Monday with a list of freshmen Senators who will be attending. This information was passed to the Director's office.

4. [] LIAISON Received a call from Joe Kinney, in the office of Senator Robert B. Morgan (D., N. Car.), who requested a copy of the Agency study having to do with the Soviet grain situation.

5. [] LIAISON Received a call from Sylvia Castellanos, Senate Steering Committee staff, who requested a copy of "Dollar Cost Comparison of Soviet and U.S. Defense Activities, 1968-78."

6. [] LIAISON Spoke with Chris Bond, on the staff of Representative Ike Skelton (D., Mo.), to see whether the Congressman would be willing to speak to our Advanced Intelligence Seminar on 2 February. After checking with the Congressman, Ms. Bond called back to say that he would be pleased to speak. I told her that the time was 3:00 p.m. to 4:45 p.m. and that we would provide transportation from the Hill to the Chamber of Commerce Building and back to the Hill.
